

Ultra Fine Polishing Paper

A. White	1 Micron / 8000 Grit
B. Aqua	2 Micron / 6000 Grit
C. Pink	3 Micron / 4000 Grit
D. Blue	9 Micron / 1200 Grit
E. Grey	15 Micron / 600 Grit
F. Green	30 Micron / 400 Grit

Sand to at least 320 grit before moving to Ultra Fine Polishing Paper. For best results sand lengthwise every other grit/micron until marks from previous stage are gone. Ultra Fine Polishing Paper can be wrapped around small rods and wedges for fine detail polishing.
